

# Ethel F. Grant Scholarship

COMMUNITY FOUNDATION  
OF NOVA SCOTIA

## *A Scholarship Fund for Nursing Students at Cape Breton University*

### **Established: 2010**

Mrs. Ethel (Grant) Eagles, a passionate Cape Bretoner, is always eager to help those in need. That's why she created a **Scholarship Fund** at the **Community Foundation of Nova Scotia** to help **nursing students at Cape Breton University**.

Born and raised in Dominion, Nova Scotia, Mrs. Eagles led the province in her RN exams when she graduated from Glace Bay General Hospital as a registered nurse in 1946.

Mrs. Eagles immediately went to work in the local area and three years later she became an industrial nurse at the Sydney Steel plant. Mrs. Eagles loved working in an industrial setting because it was fast-paced and dynamic! "I loved to analyse situations and figure out the best treatment plans." Mrs. Eagles also loved to work in surgery and ensured that every dressing was neatly done.

In 1952, she married her best friend and the love of her life, Donald Lee Eagles. They were married for over 56 years and together they raised four children in Kingston, NS – Robert, Munroe, Annalee and Lorna. Mrs. Eagles currently lives in the Valley and enjoys going for walks with her sister.

**The Ethel F. Grant Scholarship helped me financially... allowing me to focus on the most important thing - my schoolwork. One day I hope I can be as generous as Mrs. Eagles and give back to students in financial need like me.**
